

Job Posting: Third Space Brewing Bartender

Company Overview

Third Space Brewing is a production craft brewery located in Milwaukee, Wisconsin. We are a start-up brewery with a passion for creating high-quality craft beer and a fun and welcoming “third space” for our customers (you have your home, you have your work, but everyone needs a third space). We have a tap room and beer garden on site in our 11,000 square foot brewing facility just west of Milwaukee’s Third Ward in the historic Menomonee Valley.

We strive to create a company culture and a brand that is fun, approachable, and team-oriented. We value impeccable customer service, hard work, integrity, and a devotion to creating and selling high-quality beer.

You will be joining a start-up brewery that is growing rapidly in a competitive craft beer market. This is a part-time position that will require evening, weekend and sometimes holiday work. Pay includes an hourly wage plus tips.

We are looking for someone who fits our company culture, who is passionate and knowledgeable about craft beer, and who excels at connecting with people. If you love craft beer, serving others and working with people in a fun but hard-working environment, we’d love to hear from you. Shifts are currently available Thursdays through Sundays. Regular Friday and Saturday availability is required and availability for all current shifts is preferred. Additional shifts Monday-Wednesday will be available in the future.
